COLLEGE OF ARTS AND SCIENCES

David Leaman, Dean (Schofield 220)
Margaret L. Cassidy, Associate Dean—Academic Affairs and Curriculum (Schofield 220)
Marc Goulet, Academic Administrative Support—Enrollment Management and Student Academic Issues (Schofield 220)

Departments:
- Art & Design
- Biology
- Chemistry
- Communication and Journalism
- Computer Science
- Economics
- English
- Geography and Anthropology
- Geology
- History
- Languages
- Mathematics
- Music and Theatre Arts
- Philosophy and Religious Studies
- Physics and Astronomy
- Political Science
- Psychology
- Sociology

Programs:
- American Indian Studies
- Latin American Studies
- Materials Science
- Watershed Institute for Collaborative Environmental Studies
- Women's Studies

Programs and courses in the College of Arts and Sciences expose students to the substance and methodology of disciplines in the humanities, arts, natural sciences, and social sciences. Our core values include providing students with opportunities to develop intellectual skills such as analysis, synthesis, critical thinking, and application; strengthen communication skills and abilities; enhance aesthetic appreciation and humanistic understanding; and develop breadth and depth of perspective about the human experience and the natural world. Such skills and attributes are essential for success in any career or profession, as well as for leading lives as engaged, informed, and productive citizens. The largest and most broadly based academic unit at the University, the College of Arts and Sciences comprises 18 departments and several interdisciplinary programs that contribute courses and experiences for students majoring in programs based in the college; extensive liberal education course work; and supporting courses for academic programs in other colleges and for pre-professional programs.

Placement and Competency Information

Placement and Competency Tests
The UW System Mathematics Placement Test and the Foreign Language Placement Tests are given during the orientation periods for new freshmen and transfers. Further information about placement or competency tests is available from the chair of the appropriate department or the Registrar's Office (Schofield 128).

Registration Requirements
1. All students in the College of Arts and Sciences (undeclared students, students with a declared Arts and Sciences major, or pre-professional students) must successfully complete the University Writing Requirement. This requirement should be completed by the semester in which their total semester credits will equal or surpass 60 credits.
2. All students in the College of Arts and Sciences (undeclared students, students with a declared Arts and Sciences major, or pre-professional students) must successfully complete the appropriate Mathematics Competency requirement for the baccalaureate degree program being pursued. This requirement should be completed by the semester in which their total semester credits will equal or surpass 60 credits.
3. All students who have not completed the Bachelor of Science Mathematics Competency will be considered Bachelor of Arts candidates and must demonstrate competency in a foreign language at the level of a 102 course (i.e., two semesters of college work). This requirement should be completed by the semester in which their total semester credits will equal or surpass 60 credits.
4. All students who transfer to UW-Eau Claire with 59 or fewer earned semester credit hours should meet the appropriate requirements listed in 1, 2, and 3 before registering for any semester or session after they have earned 60 semester credit hours including credits in progress.
5. All students who transfer to UW-Eau Claire with 60 or more earned semester credit hours and who intend to register as a student in the College of Arts and Sciences (undeclared students, students with a declared Arts and Sciences major, or pre-professional students) should meet the requirements listed in 1, 2, and 3 before registering for any semester or summer session.

Planning a Degree Program
To officially declare or change to a new major or minor, a student must go to the office of the department of the intended major or minor. A student can find specific instructions on the Registrar’s website (http://www.uwec.edu/Registrar/Student/ChgofMajor).

All students are encouraged to obtain a new degree audit during this process. A new adviser will be assigned in the department of the new major or minor.

Joint Degrees with Professional Schools
The Board of Regents has authorized the University to grant the Bachelor of Science or Bachelor of Arts degree to students who have completed three years of residence at UW-Eau Claire and who complete the requirements for a Liberal Arts degree after transfer to a professional school. A maximum of 32 semester credits from the professional school may be applied toward the baccalaureate degree. For information, contact the College of Arts and Sciences Dean’s office (Schofield 220).
Dean’s List
At the end of each semester, the College of Arts and Sciences recognizes excellence in scholastic achievement by publishing the Dean’s List. To be eligible, a student must:

1. be in good academic standing;
2. have a minimum semester GPA of 3.70;
3. have completed at least 12 credits during the semester, with no incompletes, no courses below the 100 level, no repeats, and no Satisfactory/Unsatisfactory registrations (except in degree credit-bearing courses that are offered only on the S/U grading system in which a grade of S has been earned).

Students who meet this standard of achievement receive personal letters of notification and congratulations from the Dean.

Special Curricular Offerings
Special Topics Courses (291, 491)
Under the numbers 291 and 491, several departments and interdisciplinary programs offer courses in which the topic for study may vary from semester to semester, often focusing on a contemporary issue or taking an innovative approach to a traditional subject. Students and faculty members are invited to recommend topics to appropriate departments/programs. Departments/programs provide basic course information as part of the schedule building process. Topics are announced in the Class Schedule for the semester.

Restrictions: A total of no more than nine credits in Special Topics courses (291, 491) may be applied toward graduation. Special Topics courses may not be applied toward completion of the Liberal Education Core requirements. Departments may further restrict the application of such credits to their majors and minors.

Directed Studies (395, 495)
Courses numbered 395 or 495 (and MUSI 496), offered by several departments and interdisciplinary programs under various titles, are designed to permit individual students or groups of students to undertake special projects related to their educational interests and goals.

Eligibility: Registration for a Directed Study course requires the permission of the faculty member who agrees to supervise the project and of the department/program offering the course. Any further conditions of eligibility are established by the department/program and published as part of the course description.

Restrictions: A total of no more than six credits of Directed Study courses may be counted toward graduation. Directed Study courses may not be applied toward completion of the Liberal Education Core requirements. Departments/programs also may restrict the application of such credits to their majors and minors.

Procedures: Permits to enroll may be obtained from the department/program office. A permit approved by the professor directing the study and the department chair/program director is required in order to register for a 395 or 495 (or MUSI 496) course. When registration has been completed, the Registrar’s Office will file a copy of the project description with the College Dean and in the student’s permanent record.

Independent Study (399, 499)
Under the course numbers 399 and 499 (and CHEM 497 and HIST 496), departments and interdisciplinary programs in the College of Arts and Sciences provide advanced students with opportunities for independent study in fields where they have already demonstrated their competence.

Eligibility: Independent Study courses are open only to juniors or seniors. A student with a departmental major and/or minor may elect an Independent Study in the department of the major or of the minor, provided the student has at least 3.00 resident and total GPAs in that department. A student with an interdisciplinary major may elect an Independent Study in any department/program which has courses required in the major, provided the student has resident and total GPAs of at least 3.00 in the major and has earned a minimum of six credits with resident and total GPAs of at least 3.00 in the department/program in which the Independent Study is elected.

Restrictions: Only three credits of Independent Study (399 or 499; CHEM 497; HIST 496) may be elected during any semester. A total of no more than six independent study credits may be counted toward graduation. Independent Study courses may not be applied toward completion of the Liberal Education Core requirements.

Procedures: The student shall outline an independent study proposal to a professor willing to direct the study. Permits to enroll may be obtained from the department/program office. A permit approved by the professor directing the study and the department chair/program director is required in order to register for a 399 or 499 (or CHEM 497 or HIST 496) course. When registration has been completed, the Registrar’s Office will file a copy of the project description with the College Dean and in the student’s permanent record.

Internships and Apprenticeships
Internship or apprenticeship experiences can be a valuable component in Arts and Sciences programs. Elective courses designated either as an internship or as an apprenticeship are offered in American Indian Studies, Art, Biology, Communication/Journalism, Computer Science, Criminal Justice, Economics, English, Environmental Public Health, Environmental Studies, Geography, Geology, History, Latin American Studies, Liberal Studies, Mathematics, Music, Philosophy, Political Science, Psychology, Religious Studies, Sociology, Theatre Arts, and Women’s Studies.

Departmental Honors Programs
The Departments of Biology, Chemistry, Computer Science, Economics, English, Geography and Anthropology, Geology, History, Mathematics, Music and Theatre Arts, Philosophy and Religious Studies, Physics, Political Science, and Sociology have established Departmental Honors Programs for their majors. The majors in Criminal Justice (see Interdisciplinary Majors) and in Spanish (see the Department of Languages) also offer an Honors Program. See departmental listings or the interdisciplinary majors section for requirements.

Degrees and Curricula
Bachelor of Arts (B.A.) or Bachelor of Science (B.S.)
The B.A. degree and the B.S. degree are differentiated not by the major chosen, but by specific College requirements. For the standard and comprehensive majors listed below, students may elect either the B.A. or B.S. degree.

Standard Majors (Liberal Arts):
- American Indian Studies
- Art
- Biology
- Chemistry
- Communication
- Computer Science
Bachelor of Science in Environmental Public Health (B.S.E.P.H.)

Comprehensive Major: Environmental Public Health (Watershed Institute for Collaborative Environmental Studies)

Majors

All College of Business majors are accepted for Arts and Sciences degrees as second majors with the exception of Health Care Administration majors.

Minors

College of Arts and Sciences Minors

A standard Liberal Arts minor is offered in each discipline in which a standard Liberal Arts major is available. In addition, a number of interdisciplinary minors are offered by the College of Arts and Sciences. Program descriptions are found in the College of Arts and Sciences Interdisciplinary section or in the noted academic department/program section.

- Ancient Studies (Interdisciplinary)
- Art History (Department of Art & Design)
- Dance (Department of Music and Theatre Arts)
- Environment, Society, and Culture (Watershed Institute for Collaborative Environmental Studies)
- Environmental Science (Watershed Institute for Collaborative Environmental Studies)
- Family Studies (Interdisciplinary)
- Gerontology (Interdisciplinary)
- Global Studies (Interdisciplinary)
- Japanese (Department of Languages)
- Interdisciplinary Linguistics (Interdisciplinary)
- Marine Science (interdisciplinary)
- Middle East Studies (Interdisciplinary)
- Multimedia Communication (Interdisciplinary)
- Neuroscience (interdisciplinary)
- Pre-Professional Health Science (Interdisciplinary)
- Russia and East European Studies (Interdisciplinary)
- Spanish for Health Professions (Department of Languages)
- Topical Minor (Interdisciplinary)

Certificates

College of Arts and Sciences Certificate Programs.

The College of Arts and Sciences offers a number of certificate programs. Program descriptions are found in the College of Arts and Sciences Interdisciplinary section or in the noted academic department/program section.

- Ancient Studies (Interdisciplinary)
- Campaign Consulting (Department of Political Science)
- Computer Programmer (Department of Computer Science)
- Ethics (Department of Philosophy and Religious Studies)
- Fine Arts Administration (Department of Music and Theatre Arts)
- French Proficiency (Department of Languages)
- Geospatial (Department of Geography and Anthropology)
- Geospatial in GIS (Department of Geography and Anthropology)
- Geospatial in Remote Sensing (Department of Geography and Anthropology)
- Geospatial in Mapping (Department of Geography and Anthropology)
- German Proficiency (Department of Languages)
• Hmong Studies (Interdisciplinary)
• Integrated Strategic Communication (Department of Communication and Journalism)
• Interdisciplinary Linguistics (Interdisciplinary)
• International Affairs (Department of Political Science)
• LabVIEW (Department of Physics and Astronomy)
• Legal Studies (Department of Political Science)
• LGBTQ Studies (Women’s Studies Program)
• Middle East Studies (Interdisciplinary)
• Ojibwe Language (Department of Languages)
• Organizational Communication (Department of Communication and Journalism)
• Social Advocacy and Change (Department of Communication and Journalism)
• Social Diversity (Department of Sociology)
• Teaching English as a Foreign Language (Interdisciplinary)
• Transnational Asian Studies (Interdisciplinary)
• Web Design and Development (Department of Computer Science)
• Women’s Studies (Women’s Studies Program)
• World History and Society: Past, Present, Future (Interdisciplinary)
• World Religions (Department of Philosophy and Religious Studies)

**College of Business Minors** accepted for Arts and Sciences degrees:

• Accounting
• Business Administration
• Business Finance
• Information Systems
• International Business
• Management
• Marketing

**NOTE:** Arts and Sciences students selecting College of Business minors must meet College of Business admission requirements.

**College of Education and Human Sciences Minors** accepted for Arts and Sciences degrees:

• Science of Coaching-Liberal Arts
• Library Science-Liberal Arts
• Kinesiology-Liberal Arts

**Major/Minor, Major/Certificate and Major/Major Combinations in a Single Department or Program.**

A major and a minor, or a major and certificate, or two majors (if available), may be elected within a single department or program only in the following approved combinations:

**Department/Program:**

**Art & Design**

• Art Major, Studio Emphasis (Code 020-208) and Art History Minor (Code 030-401)
• Art Major, Art History Emphasis (Code 020-209) and Art Minor (Code 020-402)

**Languages**

Any two languages

---

**Music and Theatre Arts**

• Music Major (Code 060-201) and Theatre Arts Minor (Code 601-422)
• Music Major (Code 060-201) and Dance Minor (Code 605-400)
• Theatre Arts Major (Code 601-223) and Dance Minor (Code 605-400)
• Theatre Arts Major (Code 601-223) and Music Minor (Code 060-401)
• Music Major (Code 060-201) and Theatre Arts Major (Code 601-223)
• Music Major (Code 060-201) and Fine Arts Administration Certificate (Code 060-601)
• Theatre Arts Major (Code 601-223) and Fine Arts Administration Certificate (Code 060-601)

**Philosophy and Religious Studies**

• Religious Studies Major (Code 411-201) and Philosophy Minor (Code 400-400)
• Philosophy Major (Code 400-200) and Religious Studies Minor (Code 411-401)
• Philosophy Major (Code 400-200) and Religious Studies Major (Code 411-201)
• Religious Studies Major (Code 411-201) and Ethics Certificate (Code 400-601)
• Philosophy Major (Code 400-200) and World Religions Certificate (Code 411-601)

**Watershed Institute for Collaborative Environmental Studies**

• Environmental Public Health Major (Code 640-001) and Environment, Society, and Culture Minor (Code 489-401)
• Environmental Public Health Major (Code 640-001) and Environmental Science Minor (Code 155-400)

**Women’s Studies**

Women’s Studies Major (Code 486-201) and LGBTQ Certificate (Code 486-602)

**Major/Minor, Major/Certificate and Major/Major Combinations Not Allowed.** Program combinations with too much overlapping disciplinary content (though found in different academic departments or programs) also are not allowed:

• English Major, Linguistics (540-205) and Interdisciplinary Linguistics Minor (Code 570-402)
• English Major, Linguistics (540-205) and Interdisciplinary Linguistics Certificate (Code 570-601)
• Spanish Major, Linguistics (320-206) and Interdisciplinary Linguistics Certificate (Code 570-601)

**Degree Requirements**

**Bachelor of Arts or Bachelor of Science Degree (B.A./B.S.)**

**Bachelor of Arts or Bachelor of Science Degree (B.A./B.S.)**

**University Graduation Requirements.** All candidates for degrees must fulfill the requirements for credits, curriculum, GPA, and University residency as specified in the section of this catalog titled University Graduation Requirements.

**College Graduation Requirements: Grade Point Averages.** All candidates for degrees in the College of Arts and Sciences must earn minimum resident and
total GPAs of 2.00 in the major, the minor, and the certificate. The resident and total GPAs for the major are computed using all attempted credits applicable to the major including those offered by departments other than the major department. The resident and total GPAs for the minor and the certificate are computed similarly.

**Major-Minor and Major-Certificate Requirements.** A standard major (a minimum of 36 credits) must be supplemented by a minor (a minimum of 24 credits) or by a certificate (12 to 18 credits) to meet graduation requirements for completing a first and second degree program. No minor or certificate is required with a Comprehensive Major (60 or more credits) or with two majors of 36 or more credits each.

Certain degree programs which include Comprehensive Majors may require more than the minimum of 120 credits for graduation.

Acceptable academic program combinations are determined at the college level. A major and a minor or a major and certificate or two majors (if available) may not be elected in the same department or program, except in the approved combinations listed here.

**College Credits.** Earn at least 90 credits in courses offered by the College of Arts and Sciences.

**Bachelor of Arts Degree in the College of Arts and Sciences (B.A.)**

Fulfillment of all University Graduation Requirements (which includes the Liberal Education Core); all College-level degree requirements (major and minor/certificate emphases, GPAs, earning at least 90 credits in Arts and Sciences course work); foreign language competency at the 102 level. Foreign language competency may be met in one of two ways: (1) Achieve a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language. (2) Earn a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or AIS 122 / LANG 122 or CSD 103).

**Bachelor of Science Degree in the College of Arts and Sciences (B.S.)**

Fulfillment of all University Graduation Requirements (which includes the Liberal Education Core); all College-level degree requirements (major and minor/certificate emphases, GPAs, earning at least 90 credits in Arts and Sciences course work); mathematics competency at the MATH 111, MATH 112 or MATH 113 level. Mathematics competency can be met in one of three ways: (1) Achieve a score on the mathematics placement test that qualifies the student to enter MATH 114. (2) Earn a grade of at least C (not C-) or a mark of S in MATH 111, MATH 112, or MATH 113. (3) Achieve a satisfactory score on the MATH 112 competency test. This test may be attempted no more than two times.

**Bachelor of Liberal Studies Degree (B.L.S.)**

**Bachelor of Liberal Studies**

**University Graduation Requirements.** All candidates for degrees must fulfill the requirements for credits, curriculum, GPA, and University residency as specified in the section of this catalog titled University Graduation Requirements.

**College Graduation Requirements: Grade Point Averages.** All candidates for degrees in the College of Arts and Sciences must earn minimum resident and total GPAs of 2.00 in the major, the minor, and the certificate. The resident and total GPAs for the major are computed using all attempted credits applicable to the major including those offered by departments other than the major department. The resident and total GPAs for the minor and certificate are computed similarly.

**Major-Minor and Major-Certificate Requirements.** A standard major (a minimum of 36 credits) must be supplemented by a minor (a minimum of 24 credits) or by a certificate (12 to 18 credits) to meet graduation requirements for completing a first and second degree program. No minor or certificate is required with a Comprehensive Major (60 or more credits) or with two majors of 36 or more credits each.

Certain degree programs which include Comprehensive Majors may require more than the minimum of 120 credits for graduation.

Acceptable academic program combinations are determined at the college level. A major and a minor or a major and certificate or two majors (if available) may not be elected in the same department or program, except in the approved combinations listed here.

**College Credits.** Earn at least 90 credits in courses offered by the College of Arts and Sciences.

**Bachelor of Liberal Studies Degree in the College of Arts and Sciences (B.L.S.)**

Fulfillment of all University Graduation Requirements (which includes the Liberal Education Core); all College-level degree requirements (major and minor/certificate emphases, GPAs, earning at least 90 credits in Arts and Sciences course work).

**Bachelor of Fine Arts Degree (B.F.A.)**

**Bachelor of Fine Arts**

**University Graduation Requirements.** All candidates for degrees must fulfill the requirements for credits, curriculum, GPA, and University residency as specified in the section of this catalog titled University Graduation Requirements.

**College Graduation Requirements: Grade Point Averages.** All candidates for degrees in the College of Arts and Sciences must earn minimum resident and total GPAs of 2.00 in the major, the minor, and the certificate. The resident and total GPAs for the major are computed using all attempted credits applicable to the major including those offered by departments other than the major department. The resident and total GPAs for the minor and certificate are computed similarly.

**Major-Minor and Major-Certificate Requirements.** A standard major (a minimum of 36 credits) must be supplemented by a minor (a minimum of 24 credits) or by a certificate (12 to 18 credits) to meet graduation requirements for completing a first and second degree program. No minor or certificate is required with a Comprehensive Major (60 or more credits) or with two majors of 36 or more credits each.

Certain degree programs which include Comprehensive Majors may require more than the minimum of 120 credits for graduation.

Acceptable academic program combinations are determined at the college level. A major and a minor or a major and certificate or two majors (if available) may not be elected in the same department or program, except in the approved combinations listed here.

**College Credits.** Earn at least 90 credits in courses offered by the College of Arts and Sciences.
Bachelor of Fine Arts Degree in the College of Arts and Sciences (B.F.A.)

Fulfillment of all University Graduation Requirements (which includes the Liberal Education Core); all College-level degree requirements (major and minor/certificate emphases, GPAs, earning at least 90 credits in Arts and Sciences course work); foreign language competency at the 102 level. Foreign language competency can be met in one of two ways: (1) Achieve a score on the foreign language placement test that qualifies the student to enter the 201-level course in a foreign language. (2) Earn a grade of at least C (not C-) or a mark of S in a 102-level foreign language course (or AIS 112 or AIS 122 / LANG 122 or CSD 103).

Bachelor of Music Degree (B.M.)

Bachelor of Music

University Graduation Requirements. All candidates for degrees must fulfill the requirements for credits, curriculum, GPA, and University residency as specified in the section of this catalog titled University Graduation Requirements.

College Graduation Requirements: Grade Point Averages. All candidates for degrees in the College of Arts and Sciences must earn minimum resident and total GPAs of 2.00 in the major, the minor, and the certificate. The resident and total GPAs for the major are computed using all attempted credits applicable to the major including those offered by departments other than the major department. The resident and total GPAs for the minor and certificate are computed similarly.

Major-Minor and Major-Certificate Requirements. A standard major (a minimum of 36 credits) must be supplemented by a minor (a minimum of 24 credits) or by a certificate (12 to 18 credits) to meet graduation requirements for completing a first and second degree program. No minor or certificate is required with a Comprehensive Major (60 or more credits) or with two majors of 36 or more credits each.

Certain degree programs which include Comprehensive Majors may require more than the minimum of 120 credits for graduation.
