Select Mission of the University of Wisconsin-Eau Claire

In addition to the University of Wisconsin System Mission and the Core Mission

of the University Cluster Institutions, the University of Wisconsin-Eau Claire has

the following select mission:

We foster in one another creativity, critical insight, empathy, and intellectual

courage, the hallmarks of a transformative liberal education and the foundation

for active citizenship and lifelong inquiry.

We fulfill our mission through a pervasive university commitment to provide:

• Rigorous, intentional and experiential undergraduate liberal education for

life and livelihood;

• Strong, distinctive professional and graduate programs that build on and

strengthen our proud tradition of liberal education;

• Multicultural and international learning experiences for a diverse world;

• Exemplary student-faculty research and scholarship that enhance teaching

and learning;

• An inclusive campus community that challenges students to develop their

intellectual, personal, cultural, and social competencies;

• Educational opportunities responsive to the needs of our communities,

state, region, and beyond; and

• Academic leadership in transforming liberal education.

Organization of the University

The Chancellor is the University’s chief administrative officer, responsible for all

phases of University activity, and accountable to the Board of Regents and

System President. In the discharge of these obligations, the Chancellor is

assisted by other administrators, and advised by the faculty, staff, and students

of the University.

Subject to the powers of the Board of Regents, the UW System President, and the

Chancellor:

• University faculty has primary responsibility for academic and educational

activities and faculty personnel matters,

• University academic staff has primary responsibility for academic staff

personnel matters,

• University students have primary responsibility for policies concerning

student life, services, and extracurricular activities; and share responsibility

with the Chancellor and Board of Regents for the disposition of student

fees constituting substantial support for student activities.

Parking and Transportation Services: Parking and Transportation Services, in cooperation with students, faculty, and administrators, strives to find an equitable way to manage the parking spaces available to all members of the University Community. Therefore, parking policies and regulations at UW-Eau Claire are aimed at easing the parking crunch on campus and in the neighborhoods adjacent to the campus. These policies and regulations are part of an overall parking plan, which incorporates a multifaceted approach to managing the parking spaces available on campus. It includes a differentiated pricing system for parking permits, penalties for violations, and a free city-wide transit service. Detailed and current parking information can be obtained from Parking and Transportation Services located within Blugold Central, 715-836-3000, or parking@uwec.edu.

Visitor Parking: Visitors to campus should stop at the Visitor Center to receive a guest parking permit and directions to various campus and city destinations. Located at the corner of Park and Roosevelt Avenues on lower campus, the Visitor Center also offers reserved parking with 24-hour advance notice. For reservations and detailed information, call the Visitor Center at 715-836-2544.

Visiting the Campus: Conducted tours may be arranged through the Office of Admissions at 715-836-5415. Visitors may obtain a brochure describing the campus and its facilities from the Service Center, in the east lobby of Davies Center, or from the Visitor Center.

It is equipped with a bowling and billiards center, The Lookout – event space, lounge space, and Environmental Adventure Center that offers indoor archery as well as outdoor adventure equipment rental.

Schofield Auditorium (1916; Renovation 2009), Schofield Hall, lower campus. Renovated in 2009 through a collaborative effort of Student Senate, University Centers, the Chancellors Office and University of Wisconsin – Eau Claire Foundation. Managed by University Centers - Schofield auditorium is the largest fixed seat venue on campus. Its state of the art Lighting, Sound, Video and seating plays host to hundreds of large events every year.

Zorn Arena (1951), lower campus on Garfield Avenue. Named in honor of Willis L. Zorn, dean of men, director of athletics and head basketball coach. Bill Zorn began his distinguished 40-year career at Eau Claire in 1928. Elected to the
NAIA Hall of Fame in 1958, Zorn promoted “athletics for all” through the Men’s Athletic Association. The physical education teaching facility was completed in 1951 and first used in 1952. Originally known as the Fieldhouse, the building was renamed the University Arena in January 1969, and named for Zorn after his death in 1987. Managed by University Centers Zorn Arena is the largest multipurpose facility on campus. It is also the home for men’s and women’s intercollegiate basketball. Many of the university’s artists and lecturers make their presentations in Zorn Arena, which can seat up to 3,400 people.

Sites and Collections Supporting Instruction and Research

On Campus:

The John L. Buchholz Jazz Library, is a rare and extensive collection of jazz charts and recordings donated in 2012 to the UW-Eau Claire Foundation in honor of John L. Buchholz, professor emeritus of English. The longtime jazz musician was among the founding members of the UW-Eau Claire Jazz Ensemble in 1962 and performed throughout the region. This one-of-a-kind collection of more than 1,000 charts and 900 recordings includes Count Basie, Sammy Nestico, Bill Holman, Tommy Dorsey, Benny Goodman and many more legends of jazz. It also is located in Archives and Special Collections.

In 2014, the UW-Eau Claire Foundation acquired the Frederick G. and Joan Christopherson Schmidt Robert Frost Collection, a rare assemblage of works by the 20th century American poet. The Collection, which is housed in Special Collections and Archives in McIntyre Library, contains approximately 44 books authored by Frost, including several that have been signed and inscribed by the poet, dozens of books about Frost, and manuscript materials containing hand-written poetry, Christmas cards and pamphlets.

The James Newman Clark Bird Museum, circular in shape, surrounds the Planetarium in Phillips Hall. The collection of approximately 530 specimens and four dioramas depicting native birds in their natural habitats is used by students in biology. The museum is open to the public from 8:00 a.m. to 4:30 p.m., Monday through Friday, and at other times by appointment. For more information contact Ms. Lynn Young Janik, Department of Biology.

The L. E. Phillips Planetarium, located in the J.N. Clark Museum (Phillips Hall), contains a Spitz model A-3-P planetarium with a seating capacity of 50. The planetarium is used by classes in the Department of Physics and Astronomy. Programs for local school groups and the public are scheduled during the year.

Putnam Park, 200 acres of natural vegetation in the midst of the campus, provides an area for the study of flora and fauna within easy walking distance of classrooms, as well as a place for relaxation and hiking. The park is traversed by Putnam Drive and by a nature trail, for which printed guides are available in the Campus Information Services of Davies Center. For more information contact Dr. Joseph Rohrer, Department of Biology.

The S. W. Casey Observatory, located atop Phillips Hall, contains a computer-controlled, seven-inch Makutsuv-Cassegrain telescope with a charge-coupled-device (CCD) camera. The observatory is adjacent to an observing deck with 11 stations for student use in astronomy laboratory classes. These stations use eight-inch telescopes.

Off-Campus-Wisconsin:

The Hobbs Observatory, located 15 miles east of the campus at the Beaver Creek Reserve, contains a 24-inch computer-controlled telescope, a 14-inch Schmidt-Cassegrain telescope, a CCD camera, and a classroom. This observatory is open to the public on Saturday nights, when clear, during the months of May through October.

The James and Joan Leary Family Environmental Education Center consists of 168 acres located in a popular four-season recreational area at the confluence of the Flambeau and Chippewa rivers. The land is surrounded by Chippewa County forest land. The Leary Family Environmental Education Center will become an integral part of the university’s Watershed Institute for Collaborative Environmental Studies. Information about the Leary Environmental Education Center is available from Dr. James Boulter, director of the Watershed Institute.

Nature Conservancy Tracts, owned by the University of Wisconsin-Eau Claire Foundation, include 320 acres of forest and marshland which are available for scientific investigations and class use. One of these, the Schmidt Tract, is approximately 30 miles east of Eau Claire, in Clark County, and two are in Washburn County, near Sarona and Spooner. More specific information concerning location and use of this land can be obtained from Dr. Paula Kleintjes Neff, Department of Biology.

Off-Campus-Mississippi:

The Gulf Coast Research Laboratory (GCRL), Ocean Springs, Mississippi, is an out-of-state institution affiliated with the University of Wisconsin-Eau Claire. The GCRL offers two summer terms, and provides an opportunity for students to obtain instruction in a marine environment. For more specific information contact Dr. David Lonzarich, Department of Biology.

Beginning in Fall of 2014, the Priory has renovated and modernized residence hall rooms housing 22 students; in the fall of 2015, the renovations will expand student housing to 54 single occupancy rooms that have all been remodeled.

Continuing Education and Extension

The “Wisconsin Idea”

The “Wisconsin Idea,” a concept named after the state that pioneered its development, holds that the function of a university is not only to educate full-time students on its home campus, but also to extend educational opportunities and services to all citizens of the state. The Wisconsin Idea is incorporated into the general mission of the University of Wisconsin System and into the particular missions of the various institutions.

The University of Wisconsin-Eau Claire has long supported the Wisconsin Idea and the related idea of education as a process continuing throughout the lifetime of an individual. The University welcomes contemporary learners who wish to attend credit and non-credit courses for personal or professional reasons.

Further information may be obtained from the Office of Continuing Education (http://www.uwec.edu/CE).

University of Wisconsin-Extension

To increase the availability of educational opportunities both on and off campus, the University of Wisconsin-Eau Claire and University of Wisconsin-Extension cooperate in providing noncredit continuing education programs and credit courses designed for contemporary learners. Information about current offerings may be obtained from the Office of Continuing Education (http://www.uwec.edu/ce) at 715-836-3636, or toll-free (866) 893-2423.

Continuing Education – Connecting Campus and Community

Continuing Education addresses the needs of contemporary learners through credit and noncredit courses designed for students of all ages.

Noncredit courses and other services include:

- professional development programs for educators, health care, human services and business professionals.
- counseling, information, and entrepreneurial training through the Small Business Development Center.
- youth development programs that introduce, enrich, enhance, and develop skills and knowledge in a variety of areas.
- partnerships with school districts and CESAs that provide educational opportunities for area educators and youth.
- personal enrichment for the community.
