Communication Sciences and Disorders

Human Sciences and Services 112
715-836-4186
www.uwec.edu/csd (http://www.uwec.edu/csd)

Communication is one of the most important human attributes. The child or adult unable to speak or hear normally can be isolated. Communication Sciences and Disorders (Speech-Language Pathology and Audiology) is the profession devoted to helping people overcome disabilities in speech, language, swallowing, and/or hearing, and to increasing our knowledge of the human communication processes.

The first step toward a career in this field is earning an undergraduate degree with a comprehensive major in Communication Sciences and Disorders. The undergraduate degree program includes a strong liberal education component and is interdisciplinary in nature. A master’s degree is required in order to obtain employment as a licensed speech-language pathologist. The Master of Science program in speech-language pathology at the University of Wisconsin-Eau Claire is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, 2200 research Boulevard, #310, Rockville, MD 20850, 800-498-2071 or 301-296-5700. Our graduate students are also prepared for licensure by the Wisconsin Department of Public Instruction (DPI). More information about our graduate program is available on our Communication Sciences and Disorders website (https://www.uwec.edu/academics/college-education-human-sciences/departments-programs/communication-sciences-disorders/academic-offerings/graduate-programs).

Department Honors Program

Eligibility: Acceptance into the program is limited to upper-class majors with resident and total GPAs of 3.50 or higher, an average of 3.50 or higher in CSD courses, and the consent of the department. Successful completion at time of application of CSD 256, CSD 257, and CSD 353, with a grade of B or above is also required. Students invited to join the CSD Departmental Honors program will not have taken any courses for a grade of Satisfactory or Unsatisfactory.

Requirements: Completion of two upper division CSD courses offering an Honors Contract; a Scholarship or Leadership project; presentation of project or research results at a CSD Pro-Sem during spring of senior year, CERA, Provost’s Honor’s Symposium, and/or a state or national conference; and graduating with a cumulative GPA of 3.50 or higher and a GPA of 3.50 or higher in CSD course work.

Admission to Major Requirements

Formal admission to the Communication Sciences and Disorders program must be made. A student must be accepted to UW-Eau Claire as a pre-CSD student before applying to the CSD program. Admissions will take place twice each year. Applications, using the e-form, are due by February 15 and September 15 each year. In order to be considered for admission, students must have the following:

1. Been accepted as a pre-CSD student in the university in good standing.
2. Completed WRIT 114, WRIT 116 or WRIT 120, SW 100, and PSYC 100.
3. Completed one 3-5 credit Biology, Chemistry or Physics course from the following options: BIOL 105, BIOL 151, BIOL 214 or BIOL 221, IDIS 125, CHEM 100, CHEM 103, CHEM 115, or CHEM 127 or PHYS 100, PHYS 205, PHYS 211 or PHYS 308.
5. Completed one (1) of the following pairs of courses: CSD 256 AND CSD 262 or CSD 257 AND CSD 353.
6. Earned a grade of C or above in all courses listed above.
7. Earned a combined GPA of at least 3.0 across 3 of the 5 CSD courses listed above, plus one 3-5 credit science course listed above.
8. Submitted the application form, along with a recent degree audit by the deadline.

The CSD department uses a holistic admissions process. This means that grades earned in all course work will be used to make admissions decisions. In addition to grades, the admissions committee will use information gathered through class participation in the CSD courses to support demonstration of acceptable speaking and writing skills and appropriate dispositional skills essential for success in this major. A faculty committee will make admissions decisions and notify all applicants before fall or spring registration begins.

The department may find it necessary to deny admission to a qualified applicant because of enrollment limits in the upper division CSD courses. Depending on the number of applicants, it is likely that the GPA required to be competitive for admission may be well above the 3.0 minimum GPA. Meeting the minimum standards does not guarantee a student will be admitted to the major. Resources allow admission of approximately 60 students each year.

Faculty

Vicki Samelson, Chair
Shannon Collins
Deborah Elledge
Kay Hagedorn
Abby Hemmerich
Jerry Hoepner
Tom Sather
Angela Sterling-Orth

Off-Campus Adjunct Faculty:
A current listing is available from the Chair of the Department.

Majors

- Comprehensive Major: Communication Sciences and Disorders, Liberal Arts - B.S.

Certificates

- Certificate: American Sign Language (ASL)

CSD 101 American Sign Language I (3 crs)
- No credit if taken after CDIS 495/CDIS 695, American Sign Language I.

Introduction to American Sign Language (ASL), a visual/gestural language used by the deaf community. Aspects of deaf culture are covered.

Lecture/Discussion Hours: 3
Lab/Studio Hours: 0
CSD 102 American Sign Language II (3 crs)
Prerequisite: CSD 101
- No credit if taken after CDIS 495/CDIS 695, American Sign Language II.
A continuation of American Sign Language I. Introduces students to new functions that expand their conversational range from talking about themselves to talking about other people and activities. Aspects of deaf culture are covered.
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 103 American Sign Language III (3 crs)
Prerequisite: CSD 102
- No credit if taken after CDIS 495/CDIS 695, American Sign Language III.
A continuation of American Sign Language II. Further expansion of students' conversational range for talking about other people and activities. Aspects of deaf culture are covered.
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 150 Introduction to Communication Sciences and Disorders (3 crs)
Survey of basic human communication sciences and disorders, plus related professions. Development and characteristics of normal communication behavior; nature, causes, signs, symptoms, and interventions for communication disorders of speech, hearing, and language.
Attributes: GE V University Wide, LE-K2 Social Sciences, LE-R3 Civic and Environmental Issues, Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 201 American Sign Language IV (3 crs)
Prerequisite: CSD 101, CSD 102, and CSD 103.
Continuation of American Sign Language III with more complex grammar, dialogue, and narrative including advanced receptive and expressive skills. Aspects of semantics, literature and culture.
Grading Basis: A-F Grades Only
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 210 Cultural Perspectives of the Deaf (3 crs)
Introduction to the American Deaf Culture. The Deaf community as a linguistic/cultural minority. Historical influences of and effects on Deaf in political activism, laws, information access, educational philosophies, communication systems and others.
Grading Basis: A-F Grades Only
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 235 Undergraduate Research in Communication Sciences and Disorders (2 crs)
Prerequisite: Completion of University Writing Requirement. Limited to Communication Science and Disorders (CSD) majors.
This course explores the scientific method as it applies to social science research. Topics include ethics, evidence-based practice, literature searches, developing hypotheses and research questions, and research designs. Students will also be summarizing and evaluating research in the field of Communication Disorders.
Grading Basis: A-F Grades Only
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 256 Anatomy and Physiology of Speech and Hearing (4 crs)
Prerequisite: Minimum sophomore standing.
Anatomy and physiology of the speech mechanism (respiration, phonation, resonation, articulation) and of hearing, including the related neurology.
Attributes: Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 4
Lab/Studio Hours: 0

CSD 257 Normal Communication Development (3 crs)
Prerequisite: Minimum of 12 earned prior credits.
Theoretical foundation for normal communication development, including prerequisites, extra-linguistic variables, processes/constraints, and the major language system components. Language variables presented by select populations and a profile perspective are presented.
Attributes: Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 262 Phonetics: Theory and Application (2 crs)
Prerequisite: Minimum of 12 earned prior credits.
Study of the phonological system of language. Emphasis on phonemic and phonetic analysis and transcription of standard, nonstandard, and deviant speech.
Attributes: Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 1
Lab/Studio Hours: 2

CSD 301 American Sign Language Semantics (3 crs)
Prerequisite: CSD 101, CSD 102, CSD 103, and CSD 201.
Analysis of ASL through the linguistic principle of Semantics, with a primary focus on colloquial sign. An approach to understanding the meaning in ASL communication, the process of ASL interpretation, and improving expressive abilities in ASL. All content and communication conducted using ASL.
Grading Basis: A-F Grades Only
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

**Attributes:**
- Undergraduate/Graduate Offering
- Special Course Fee Required
- Varies by Term/Section
- Lecture/Discussion Hours: 3
- Lab/Studio Hours: 0
CSD 373 Basic Audiology (3 crs)
Prerequisite: Minimum resident and total GPA of 2.50.
• CSD 256 and CSD 353 are recommended prior to enrollment in this course.
Introduction to audiology, including anatomy and physiology, pathologies of hearing, basic evaluation, differential evaluation, physiological procedures, nonorganic hearing loss, pediatric evaluation, hearing conservation, and rehabilitation. Emphasis upon pure tone thresholds, speech audiology, and masking.
Attributes: Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 378 Introduction to Sign Language (3 crs)
• Open to all undergraduate students.
An introduction to various systems of manual communication with a strong emphasis on developing beginning skills in Signing Exact English and fingerspelling.
Attributes: Undergraduate/Graduate Offering, Special Course Fee Required Varies by Term/Section
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 399 Independent Study - Juniors (1-3 crs)
Prerequisite: Minimum junior standing.
Consent: Department Consent Required
Individual project under the direction of a faculty member.
Repeat: Course may be repeated

CSD 410 Communication Changes and Disorders of the Older Adult (3 crs)
Prerequisite: Minimum junior standing.
• Open to all undergraduate students.
Normal aging and its effects on speech, voice, oral motor skills, language, and hearing. Overview of the nature and treatment of communication disorders of the older adult. Physiological, psychological, and sociological aspects will be considered.
Attributes: GE V University Wide, Undergraduate/Graduate Offering
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 411 Facilitating Communication in Preschool Children (2 crs)
Prerequisite: CSD 257 or equivalent course is required prior to enrollment in this course.
• Open to all undergraduate students.
Foundations for the evaluation of preschool children, program planning, and program implementation in early childhood/special needs classrooms. Focus includes contexts for communication, content and sequence of communication programs, and techniques for facilitating communication.
Attributes: Undergraduate/Graduate Offering
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 415 Instructional Internship in Communication Disorders (1-3 crs)
Prerequisite: 3.00 GPA or higher in CSD coursework. Limited to CSD majors.
Consent: Department Consent Required
Selected student develops professional skills by providing assistance to faculty member, enhancing teaching and learning of students in a course. Plan based on student-faculty contract. Three hours of participation per week per credit.
Attributes: Internship
Repeat: Course may be repeated for a maximum of 6 credits

CSD 419 Assistive Technology and Augmentative and Alternative Communication (2 crs)
Prerequisite: CSD 257 or CSD 311/CSD 511.
Augmentative and alternative communication, plus assistive technologies for adapted play, environmental control, mobility, and work site modifications are explored across disabilities and lifespan. Current research, public policy issues, and effective clinical practices will be emphasized.
Attributes: Undergraduate/Graduate Offering
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 435 Research Seminar in Communication Sciences and Disorders (2 crs)
Prerequisite: Grade of B or above in MATH 246 or PSYC 265. Minimum total GPA of 3.5. Minimum junior standing.
• Required course for students enrolled in CSD Department Honors Program. CSD Department Honors students must register for this course as an Honors Contract.
An advanced-level research seminar to explore the scientific method as it applies to clinical, educational, and social science research. Topics include evidence-based practice, literature searches, developing scientific questions and hypotheses, and evaluating research.
Grading Basis: A-F Grades Only
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 440 Neurological Aspects of Communication (2 crs)
Prerequisite: CSD 256. Minimum 2.50 resident and total GPA. Minimum senior standing.
Neuroanatomical and neurophysiological bases of communication with an emphasis on normal aspects.
Attributes: Undergraduate/Graduate Offering
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 448 Aphasia and Related Disorders (2 crs)
Prerequisite: CSD 440/CSD 640
Differential diagnosis and treatment of the aphasias and related language disorders.
Attributes: Undergraduate/Graduate Offering
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

</table>
CSD 743 Supervision and Clinical Instruction in Communication Sciences and Disorders: The Basics (1 cr)
Prerequisite: No credit if taken after CSD 744.
Consent: Department Consent Required
A detailed study of the variables related to supervision and clinical instruction in speech-language pathology. Topics include models of supervision, issues related to dispositions and generational mindsets, as well as providing formative and summative feedback to practicum students.
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 1
Lab/Studio Hours: 0

CSD 744 Supervision and Clinical Instruction in Communication Sciences and Disorders: Advanced Issues (1 cr)
Prerequisite: CSD 743 or other intro supervision course.
Consent: Department Consent Required
A detailed study of the advanced variables related to supervision and clinical instruction in speech-language pathology. Topics include using technology and other tools for supervision and feedback, conflict resolution, multicultural issues, mentoring Clinical Year Fellowships, and self-assessment.
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 1
Lab/Studio Hours: 0

CSD 745 Topics in Speech-Language-Hearing (2 crs)
Prerequisite: Limited to students admitted to the Communication Sciences and Disorders (CSD) graduate program or consent of instructor.
Topics covered will be determined by selecting from current professional, clinical, and research domains in the field of communication disorders.
Repeat: Course may be repeated
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 746 Seminar in Language Disorders (2 crs)
Prerequisite: Limited to students admitted to the Communication Sciences and Disorders (CSD) graduate program or consent of instructor.
In-depth study of topics in language disorders. Topics will be selected from current professional, clinical, and research domains in the field of communication disorders (e.g., specific language impairment, language, and literacy).
Repeat: Course may be repeated for a maximum of 4 credits
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 747 Seminar in Speech Disorders (2 crs)
Prerequisite: Limited to students admitted to the Communication Sciences and Disorders (CSD) graduate program or consent of instructor.
Topics will be selected from current professional, clinical, and research areas in speech disorders (e.g., stuttering or phonology/articulation).
Repeat: Course may be repeated for a maximum of 4 credits
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0

CSD 748 Motor Speech Disorders (3 crs)
Prerequisite: Limited to students admitted to the Communication Sciences and Disorders (CSD) graduate program or consent of instructor.
• CSD 440/CSD 640 or equivalent course is required prior to enrollment in this course.
Attributes: CSD MS Online Flat Rate Tuition
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 749 Birth to 21 Methods in Communication Disorders (4 crs)
• CSD 770 or equivalent course is required prior to enrollment in this course.
Roles, responsibilities, legislation, historical perspectives, and current events related to school and non-school settings serving children. Discussion and practical application focused on methods specific to working with ages birth to 21 years with communication disorders.
Attributes: Special Course Fee Required
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 4
Lab/Studio Hours: 0

CSD 750 Rehabilitation Methods in Communication Disorders (2 crs)
• CSD 770 or equivalent course is required prior to enrollment in this course.
Issues related to the rehabilitation processes including the structure of institutions, interdisciplinary approaches, documentation, and professional issues.
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 2
Lab/Studio Hours: 0
CSD 754 Acquired Cognitive-Communicative Disorders (3 crs)
Prerequisite: Limited to students admitted to the Communication Sciences and Disorders (CSD) graduate program or consent of instructor.
- CSD 440/CSD 640 or concurrent enrollment or equivalent course is required prior to enrollment in this course.

Nature of dementias, traumatic brain injury (TBI), and right hemisphere brain damage (RHBD). Principles and practices of assessment and intervention of cognitive-communication disorders in persons with dementia, TBI, or RHBD.

Attributes: CSD MS Online Flat Rate Tuition
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 769 Graduate Clinical Practicum (1 cr)
Consent: Department Consent Required
Supervised clinical experience for first and third semester graduate students.

Attributes: CSD MS Online Flat Rate Tuition, Special Course Fee Required Varies by Term/Section
Repeat: Course may be repeated for a maximum of 4 credits
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 1
Lab/Studio Hours: 0

CSD 770 Clinical Practicum in Communication Disorders II (2 crs)
Prerequisite: CSD 706 and CSD 769, or CSD 706 and instructor permission.
Consent: Department Consent Required
Supervised clinical experience with persons having communication disorders.

Attributes: CSD MS Online Flat Rate Tuition, Special Course Fee Required Varies by Term/Section
Repeat: Course may be repeated for a maximum of 6 credits
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 771 Clinical Practicum in Communication Disorders III (3 crs)
Prerequisite: CSD 706 and CSD 769.
Consent: Department Consent Required
Supervised clinical experience with persons having communication disorders.

Attributes: CSD MS Online Flat Rate Tuition, Special Course Fee Required Varies by Term/Section
Repeat: Course may be repeated for a maximum of 6 credits
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 3
Lab/Studio Hours: 0

CSD 774 Pediatric Dysphagia (1 cr)
Prerequisite: Limited to students admitted to the Communication Sciences and Disorders (CSD) graduate program or consent of instructor.
- CSD 440/CSD 640 or concurrent enrollment or equivalent course is required prior to enrollment in this course.

Attributes: CSD MS Online Flat Rate Tuition, Special Course Fee Required Varies by Term/Section
Grading Basis: No S/U Grade Option
Lecture/Discussion Hours: 1
Lab/Studio Hours: 0

CSD 780 Externship in Communication Disorders-Educational Settings (6 crs)
Prerequisite: CSD 749; grade of B or above in all enrollments in CSD 769, CSD 770 and CSD 771.
- Criminal background check may be required.

Professional clinical experience for nine weeks in a cooperating educational setting under the supervision of a state and nationally-certified speech-language pathologist, as well as appropriately-credentialed University personnel.

Attributes: Internship
Repeat: Course may be repeated for a maximum of 12 credits
Grading Basis: No S/U Grade Option

CSD 781 Externship in Communication Sciences and Disorders—Non-School Setting (6 crs)
Prerequisite: CSD 750; grade of B or above in all enrollments in CSD 769, CSD 770 and CSD 771.
- Criminal background check required.

Professional clinical experience for nine weeks in a cooperating hospital, residential treatment center, and/or rehabilitation agency under the supervision of a state and nationally-credentialed speech-language pathologist, as well as appropriately-credentialed University personnel.

Attributes: Internship, CSD MS Online Flat Rate Tuition, Special Course Fee Required Varies by Term/Section
Repeat: Course may be repeated for a maximum of 12 credits
Grading Basis: No S/U Grade Option

CSD 793 Seminar: Selected Topics (1-3 crs)
Consent: Instructor Consent Required
Permits groups of graduate students to study topics of mutual interest in the field of communication disorders.

Repeat: Course may be repeated
Grading Basis: No S/U Grade Option

CSD 797 Independent Study (1-3 crs)
Consent: Department Consent Required
Individual project under the direction of a faculty member.

Repeat: Course may be repeated
Grading Basis: No S/U Grade Option
CSD 799 Thesis (1-6 crs)
  • Full-time equivalent.

A description of acceptable topics and the precise nature of the thesis requirement is provided in the departmental program descriptions.

Repeat: Course may be repeated for a maximum of 6 credits
Grading Basis: PR Only Grade Basis
