All graduate degree programs require a minimum of 30 credits of graduate course work (500 level and higher) in the area of specialization, with at least 50% of the minimum number of credits required in the degree program earned in 700 level courses or higher. Most degree programs also require a culminating experience. The culminating experience can be an examination, thesis, project, internship, portfolio, or a combination of the above. Programs without a culminating experience may require additional coursework. See information under the specific program for the requirement(s) for that program.

**Doctor of Nursing Practice (DNP)**

- Post-Master’s DNP:  
  - Nursing, DNP (Code 700-830)  
  - Nursing, Nurse Executive (Code 700-837)
- Post-Baccalaureate DNP:  
  - Nursing, Adult-Gerontology-Administration (Code 700-832)  
  - Nursing, Adult-Gerontology-Primary Care Nurse Practitioner (Code 700-833)  
  - Nursing, Adult-Gerontology-Clinical Nurse Specialist (Code 700-834)
The DNP degree is for individuals pursuing education in advanced practice nursing. It is a clinical doctorate designed to prepare nurses to assume leadership roles in the areas of advanced clinical practice (nurse practitioner or clinical nurse specialist) or nursing administration/nurse executive. Courses address topics such as organizational and systems leadership, influencing health policy, evidence-based practice and research utilization, information systems and patient care technology, interprofessional collaboration, improving patient and population health outcomes and effecting change, and evaluating health outcomes. Both the MSN-to-DNP (post master's) and BSN-to-DNP (post-baccalaureate) options are available at UW-Eau Claire.

### Master of Arts (MA)
- English-Literature and Textual Interpretation (Code 540-808)
- English-Writing (Code 540-809)
- History (Code 380-804)
- History-Public History (Code 380-808)

The Master of Arts degree serves persons who already have substantial preparation in the discipline in which they seek a graduate degree, and who wish to extend their knowledge and skills in their area of specialization for self-improvement, professional roles, or further graduate study.

### Master of Business Administration (MBA)
- Business Administration, UW MBA Consortium Online (Code 740-801)

The purpose of the College of Business MBA program is to guide students in becoming effective leaders who possess broad, practical understanding of the business world and the dynamic, global environment within which it operates. The program is designed to develop each individual’s ability to recognize the needs of customers, employees, stockholders, and other organizational stakeholders; secure competitive advantage through emphasis on quality, technology, and innovation; communicate effectively and interact with members of a diverse, global workforce and business environment; apply a wide variety of problem-solving tools and techniques to today’s complex problem situations; and manage an organization in a socially responsible and ethical manner.

The program is designed to meet the needs of individuals currently in the workforce who wish to pursue an MBA on a part-time basis while continuing their full-time employment. See the MBA Program section of this catalog for further information and specific degree requirements.

### Master of Education-Professional Development (MEPD)
- Professional Development, MEPD (Code 949-807)

The Master of Education-Professional Development degree provides for the enhancement of professional competencies in education for experienced, certified educators. It is designed for individualized continuing education to assist educators in the development of competencies that relate specifically to their job needs and to their professional growth. To be admitted to a MEPD program an applicant must have a minimum of two years teaching experience or equivalent.

### Master of Science (MS)
- Communication Sciences and Disorders, Residential (Code 622-806)
- Communication Sciences and Disorders, Online (Code 622-807)
- Data Science, Online (Code 181-801)

The Master of Science degree is awarded to students who have demonstrated mastery of a specific field of study or area of professional practice. Students may enter such programs with substantial preparation in the discipline in which they seek a higher degree or it may be a new area of study for an individual, depending upon the requirements of the program.

### Master of Science in Education (MSE)
- School Psychology (Code 442-803)

The Master of Science in Education degree is designed to develop capabilities in special professional roles in the field of education. The MSE in School Psychology is earned at the completion of the first year of the three-year Specialist in Education degree.

### Master of Science in Nursing (MSN)
- Nursing, Family Health-Education (Code 700-811)
- Nursing, Family Health-Administration (Code 700-812)
- Nursing, Adult-Gerontology-Education (Code 700-819)
- Nursing, Adult-Gerontology-Administration (Code 700-816)

The Master of Science in Nursing degree is designed to prepare nurses with a population focus in Adult-Gerontologic Health Nursing or Family Health Nursing to assume leadership roles in advanced professional nursing. The core curriculum is designed to develop and increase students' competencies in theory analysis and evaluation, concept clarification and development, research and refined skills in clinical inquiry, ethics, leadership, and analysis of contemporary issues. Building on the core curriculum, students apply new knowledge and skills in the clinical setting.

The program provides functional role preparation as a nurse educator or nurse administrator/leadership and management. Required nursing courses focus on the functional dimensions of the role, its theory and expectations, and strategies for implementation.

### Master of Social Work (MSW)

#### Social Work

The University of Wisconsin-Madison School of Social Work offers its Masters in Social Work (MSW) program on the University of Wisconsin-Eau Claire campus in cooperation with the Department of Social Work.

The MSW program offers a social problem and social issues focus to the education and preparation of students as advanced practitioners and leaders across the fields of social work practice. Students find that the teaching of practice, knowledge, values, and skills with an analytic approach fosters the ability to acquire and translate knowledge into sound professional social work practice with individuals, families, groups, communities, and organizations. The MSW program offered on the UW-Eau Claire campus is part-time and is designed to allow students who are not able to pursue full-time study to work toward an MSW degree on a structured time-extended basis.

### Specialist in Education Degree (Ed.S.)
- School Psychology (Code 442-805)

The Specialist in Education degree is offered in School Psychology. This three-year program includes two years of full-time on-campus study, and a one-year,
full-time internship. After successful completion of the first year of the program (31 credits of study and a passing grade on a comprehensive examination), students are awarded the Master of Science in Education degree. The Ed.S. degree requires an additional 37 graduate credits beyond the MSE degree. By earning this degree, students meet all of the requirements for certification by the State of Wisconsin as a School Psychologist and become eligible for National Certification in School Psychology.
