A maximum of six MBA credits of C or C+ work will be accepted. A student who receives a C- will need to take a replacement course.

A student earning a D+ or lower in a graduate-level course will be dismissed from the program regardless of where the course was taken. The student may petition for readmission to the program by writing to the director of the MBA program.

Graduation Requirement
Students need to be registered for a course in the term they are graduating.
