**Teaching Licensure Requirements - EA-A Licensure**

**Program Options B and C**

These program options are organized around content majors and education courses and are designed to prepare teachers for early adolescence through
adolescence (EA-A) teaching or for early childhood through adolescence (EC-A) teaching in selected areas. Each program requires the student to complete:

1. a comprehensive major (at least 60 credits) or a standard major (at least 36 credits) plus one of the following: another standard major (at least 36 credits), or a minor (at least 24 credits), or a certificate (12-18 credits). Students choosing another major or minor may choose from the approved majors and minors listed in the table below, but are not required to do so. Students pursuing EA-A licensure are not required to elect a second plan that leads to certification.

2. a professional sequence consisting of teaching methods and related courses. Advising is done through the content major department.

Upon admission to program, candidates are assigned an advisor in education teaching in selected areas. Each program requires the student to complete:

Students will earn a minimum 3.0/4.0 GPA in content courses OR through obtaining a passing score on the appropriate Praxis II/ACTFL exam.

For students who neither meet the minimum GPA requirement nor pass the appropriate Praxis II/ACTFL exam after at least two attempts, a content portfolio can be submitted which parallels the content evaluated on the Praxis II/ACTFL exam. The portfolio may only be submitted once.

Students will choose one of two emphases available within the Broadfield Social Studies major.

Dual-concentration Emphasis: The Broadfield Social Studies major with the dual-concentration emphasis leads to certification to teach fusion social studies courses, history courses, and courses in the second area of concentration.

Students who also choose to include in their program a certifiable minor in a subject outside of social studies (in addition to the Broadfield Social Studies major) shall demonstrate content area proficiency in that subject.

After initial advising, students will then be assigned two advisors, one in the Department of History and one in the other subject in which they elect to complete 24 credits.
