Language Immersion Requirement

Language Immersion Requirement: All majors and minors who wish to be certified to teach a foreign language must complete an appropriate period of language immersion in residence in a country in which the language is spoken, or provide an alternative language immersion experience that must be approved by the Department. The minimum time period for meeting the residence/immersion requirement is six weeks. However, the Department of Languages recommends that students spend at least one semester abroad.

NOTE 1: ES 366 (two credits) required. This minor is restricted to students in the College of Education and Human Sciences: Department of Education for Equity and Justice: Option B or C and leads to licensure to teach French in grades 4-12 classrooms.

NOTE 2: For departmental recommendation for student teaching and certification, passing the OPI or OPIC and WPT with a score of Intermediate High or above on the ACTFL rating scale is required. Please see your advisor for additional certification requirements.
