Immersion Requirement <sup>3</sup>	

<sup>1</sup> or equivalent courses offered in the study abroad programs. Also, Honors courses focused on Latin American and/or Latinx/Hispanic related topics may be counted as an LAS elective; please consult with an LAS advisor in a timely manner for more information about these options.

<sup>2</sup> Students may earn a total of six credits from LAS 488 and LAS 498, but only three credits can count for the minor.

<sup>3</sup> **Immersion Requirement:** The Latin American and Latinx Studies, Minor requires an immersion experience in a country of Latin America or participation in a faculty-led immersion experience focused on Latinx communities in the US. There are a variety of options for fulfilling the immersion requirement, including winterim, semester and summer programs abroad of a minimum three weeks' duration, Faculty-Led International Immersion Experiences (FLIEs) and Domestic Intercultural Immersions (DIIs) of any duration that have been approved by the Latin American and Latinx Studies Program, National Student Exchange, internships, and volunteer work. No home stay during immersion is required for this minor. Please consult with your advisor early on in your studies to choose the immersion experience that will work best for you. Because course offerings in study abroad programs vary, please consult with the Center for International Education and your Latin American and Latinx Studies advisor early on in your studies to choose the time, program, and courses that will work best if you plan to fulfill your immersion experience through study abroad. Courses taken during study abroad may satisfy some of the

requirements for the minor or Liberal Education (LE) experiences and reduce time to graduation.

Note: For program combinations involving Latin American and Latinx Studies programs, students must earn a minimum of 48 unique credits for purposes of meeting graduation requirements for first and second degree programs.
