<sup>1</sup> The Management minor will not count as a secondary program when combined with the standard Business Administration major or the following comprehensive majors: Management, Entrepreneurship, Human Resource Management, or Operations and Supply Chain Management. Please see the list of approved major/minor combinations (<https://catalog.uwec.edu/undergraduate/business/#academicprogramstext>) that satisfy university academic concentration requirements (<https://catalog.uwec.edu/undergraduate/graduation-requirements/#header16>).

<sup>2</sup> **Student Professional Development Program.** This program requires completion of the four SPDP workshops. For more information, visit the College of Business website (<http://www.uwec.edu/academics/college-business/academic-resources/student-professional-development-program/>).

## Program Learning Outcomes

Students completing this program will be expected to meet the following learning outcomes:

- Provide multiple factors that go into creating and promoting an ethical organizational culture.
- Apply knowledge and skills learned across all functional business areas when developing firm strategy.
