

# GRADES K-12

## Program Options B and C

These program options are organized around content majors and education courses and are designed to prepare teachers for 4-12 teaching or for K-12 teaching in selected areas. Each program requires the student to complete:

1. a comprehensive major (at least 60 credits) or a standard major (at least 36 credits) plus one of the following: another standard major (at least 36 credits), or a minor (at least 24 credits), or a certificate (12-18 credits). Students choosing another major or minor may choose from the approved majors and minors listed in the table below. The approved majors and minors lead to additional certification.
2. a professional sequence consisting of teaching methods and related courses.
3. ES 212, ES 313, and ES 314 with a minimum grade of C (not C-) in each course. Student must also earn a C or better in the prescribed methods courses for their major. See list of prescribed methods courses below.

Students are assigned an education academic advisor and a faculty advisor through the content major department.
