#### Gender & Sexuality Resource Center

The Gender & Sexuality Resource Center is dedicated to creating a safe and inclusive campus for all students, while advocating for and celebrating those identities that have been marginalized throughout history. We believe in education and celebration, not alienation, and that is reflected in all programs and events. Exploring privileges and oppressions is at the heart of our mission, and in so doing—and with a focus on intersectionality—we engage the campus community in ways that create room for understanding and empowerment. Staff provide resources, information, and programming in collaboration with existing departments, advisory committees, organizations, and offices; we foster a supportive campus environment through the development and sponsorship of intellectual, personal, and cultural programming. For more information, visit the website (<https://www.uwec.edu/offices-services/gender-and-sexuality-resource-center/>).

#### Housing and Residence Life

The University provides accommodations for 3,974 students in on-campus residence halls. Except for those who are married, living with parents or guardians, or veterans of the United States Armed Forces, all freshmen and sophomores are required to live in University-operated residence halls when such accommodations are available.

Information about living on campus is automatically sent to candidates for admission to the University. Room assignments for students new to the University are based on the date all properly completed housing contract items are submitted. Room assignments for returning students are based on earned credits through UW Eau Claire at the time of room selection, then by lottery for those who have not yet earned credits through UW-Eau Claire and are subject to the completion of all housing contract items including a \$75 deposit. The deposit is refundable through May 1 (see Deposits, under Tuition and Fees (<http://catalog.uwec.edu/undergraduate/paying-college/#header10>)). It is beneficial to apply as soon as possible after acceptance to the University. Whenever possible, specific room assignments will be made prior to freshman orientation in mid-June.

Each residence hall is staffed by a hall director and resident assistants selected from qualified continuing students. Insofar as demand permits, students are given a choice among the kinds of on-campus accommodations available. The residents of each hall determine, in accordance with the Wisconsin Administrative Code, certain policies and regulations for the governance of their hall.

All students living in traditional University residence halls are required to participate in the contract meal plan (see Dining Services). *Certain buildings may be identified as exempt from the contract meal plan.*

The University has no housing facilities for married students and students with children. Further information concerning all housing and residence life policies and services is provided online (<http://www.uwec.edu/housing/>).

**W.R. Davies Student Center.** The 177,000 sq. ft. W. R. Davies Student Center opened its doors in July 2012. This student center, like its predecessor, is named in memory of William R. Davies (1893–1959), the university's second president. Its design was inspired by nature surrounding the Eau Claire campus — the Chippewa River, the woods, the stone formations, and the Little Niagara Creek. W. R. Davies Student Center occupies a site that was the historic meeting grounds of the Dakota and Ojibwe people, who made peace in the 1850s after a bitter war that spanned 150 years. The treaty line is thought to be at the mouth of the Little Niagara Creek on the Chippewa River. Names of meeting spaces in the original and the present Davies Center honor the Ojibwe and Dakota and other native people of Wisconsin, including the Ho-Chunk, Menominee and Potawatomi tribal members who used the Council Oak tree and its surroundings as a shelter and gathering place. Davies Center was planned as an expression of the role of the Council Oak, a beacon and symbol of community, gathering and a safe space for all. W.R. Davies Student Center is the center for social and cultural interaction on the lower campus. Offering a number of meeting and program spaces (<http://www.uwec.edu/centers/facilities/davies/map.htm>), dining facilities and service areas, W.R. Davies Center is the administrative core of the University Centers. It is also home to the Student Senate (<http://www.uwec.edu/StudentSenate/>), the primary vehicle for student involvement in university governance.

**Hilltop Center.** Spanning the road that connects the upper and lower campus, Hilltop Center was built in 1968 and is home to Riverview Café, the primary contract dining facility on campus. An extensive renovation of Hilltop Center in 2012 expanded the primary food service venue on campus. Riverview Café (<https://uwecdining.sodexomyway.com/dining-near-me/resident-dining/>) now comprises the entire second floor of the building, and up to 7,000 meals are served to students each day. The programs and services of University Recreation and Sport Facilities (<https://www.uwec.edu/recreation/>) are also based in Hilltop Center. Facilities include the Environmental Adventure Center

(<http://www.uwec.edu/Recreation/eac/>) (EAC), a climbing wall, billiards and exercise studios.

**Crest Wellness Center.** Is home to Student Health Service, Crest Fitness Center, Housing and Residence Life offices, University Police and the Eagle's View Challenge Ropes Course. In 1999 a \$1.4 million upgrade remodeled the upper level of Crest Wellness Center for the fitness center, making it possible to relocate its weightlifting exercise equipment from the lower level. In 2013 the Eagles View Challenge Course was expanded offering both high and low rope challenges.
