Athletics

The University of Wisconsin-Eau Claire intercollegiate athletics program provides services in concert with the mission of the university and the underlying mission of Enrollment Management. These are best characterized by the goal of accessibility.

The athletics program mission is to be accessible to students of all skills, abilities and interests, and to provide an extra-curricular inclusive environment which will enrich learning and personal growth. In providing this learning environment, the program places emphasis on the academic success of student-athletes, the fair and equitable treatment of women and men, the principles of fair play and amateur athletics competition and the health and welfare of student-athletes.

The University of Wisconsin-Eau Claire fields 25 intercollegiate teams. The 13 women's programs consist of basketball, cross country, golf, gymnastics, ice hockey, lacrosse, soccer, softball, swimming and diving, tennis, track and field, and volleyball. The 12 men's programs consist of baseball, basketball, cross country, football, golf, ice hockey, soccer, swimming and diving, tennis, track and field, and wrestling. Teams participate as a member of the NCAA Division III, the Wisconsin Intercollegiate Athletic Conference (WIAC), the New Jersey Athletic Conference (NJAC) for men's tennis, and the National Collegiate Gymnastics Association (NCGA).

The Blugold athletics teams utilize a number of on-campus and other public and private venues for practice and competition, including McPhee/Olson, Simpson Field, Bollinger Fields, Carson Park, Hobbs Ice Center, Eau Claire Country Club, Whitetail Golf Course, Menard Tennis Center, and newly constructed Sonnentag Complex.

Entering freshmen are eligible for varsity competition if enrolled as full-time students. Transfers and students who have not been in continuous enrollment at UW-Eau Claire should contact Athletics for a determination of their eligibility status. Subsequent eligibility requires that student-athletes maintain a 2.0 resident grade point average.

Gender & Sexuality Resource Center

The Gender & Sexuality Resource Center is dedicated to creating a safe and inclusive campus for all students, while advocating for and celebrating those identities that have been marginalized throughout history. We believe in education and celebration, not alienation, and that is reflected in all programs and events. Exploring privileges and oppressions is at the heart of our mission, and in so doing—and with a focus on intersectionality—we engage the campus community in ways that create room for understanding and empowerment.

The Gender & Sexuality Resource Center's staff provides resources, information, and programming in collaboration with existing departments, advisory committees, organizations, and offices; we foster a supportive campus environment through the development and sponsorship of intellectual, personal, and cultural programming.

For more information, visit the website (<http://www.uwec.edu/speakout/>).

Housing and Residence Life

The University provides accommodations for 3,974 students in on-campus residence halls. Except for those who are married, living with parents or guardians, or veterans of the United States Armed Forces, all freshmen and sophomores are required to live in University-operated residence halls when such accommodations are available.

Information about living on campus is automatically sent to candidates for admission to the University. Room assignments for students new to the University are based on the date all properly completed housing contract items are submitted. Room assignments for returning students are based on a lottery number system, and are subject to the completion of all housing contract items including a \$75 deposit. The deposit is refundable through May 1 (see Deposits, under Tuition and Fees (<http://catalog.uwec.edu/undergraduate/paying-college/#header10>)). It is beneficial to apply as soon as possible after acceptance to the University. Whenever possible, specific room assignments will be made prior to freshman orientation in mid-June.

Each residence hall is staffed by a hall director and resident assistants selected from qualified continuing students. Insofar as demand permits, students are given a choice among the kinds of on-campus accommodations available. The residents of each hall determine, in accordance with the Wisconsin Administrative Code, certain policies and regulations for the governance of their hall.

All students living in traditional University residence halls are required to participate in the contract meal plan (see Dining Service). Certain buildings may be identified as exempt from the contract meal plan.

The University has no housing facilities for married students and students with children. Further information concerning all housing and residence life policies

and services is provided in the Residence Hall Information booklet, available upon acceptance by the University or upon request to the Housing and Residence Life Office, phone 715-836-3674, or online (<http://www.uwec.edu/housing/>).

Multicultural Student Services

Multicultural Student Services (MSS) provides quality services and programs that support and enhance the collegiate experience, particularly for students of color. MSS provides direct support to students who identify as African American, American Indian/Native American, Asian & Southeast Asian, Latinx, and multiracial/multiethnic students. In doing so, MSS not only advocates for multicultural students, but also assists them in areas such as community engagement, employment, financial aid, scholarships, housing, leadership development, and supplemental advising.

In addition, MSS supports campus-wide programming for all faculty, staff, and students through cultural programs, heritage month awareness activities, guest speakers, and classroom presentations and other training on EDI issues.

MSS is dedicated to an equitable, diverse, and inclusive campus community that helps students excel individually and collectively. MSS builds relationships, fosters a sense of belonging and community, creates relevance to learning, and connects multicultural students to resources that will enhance their leadership skills, equity/diversity/inclusion skills, academic growth, and personal growth at UW-Eau Claire.

All UW-Eau Claire students are encouraged to participate in the variety of opportunities and events sponsored by Multicultural Student Services. Learn more about MSS events and services by visiting the website (<https://www.uwec.edu/equity-diversity-inclusion/edi-services-programs/multicultural-student-service/>).

Student Government

The University of Wisconsin-Eau Claire has long been committed to the active participation of students in institutional shared governance. Significant responsibility is accorded to qualified students who serve with faculty on departmental and College committees and on administrative committees of the University.

The Student Senate is the primary vehicle for the involvement of students in University governance. It has initial responsibility for recommendations on matters pertaining directly to student life, services, and interests, including the allocation of millions of dollars of student segregated fees each year to fund student support services and recreational activities, for example. Each year, the student body elects eligible students from two geographical districts—on and off campus—to serve as senators.

Through the Residence Hall Association and the Coeducational Residence Hall Judicial Board, students also participate, with the Director of Housing and Residence Life, in the operations and development of residence hall programs and policies.

For further information, students may contact the Student Senate Office or the Dean of Students Office. Visit the [website \(http://www.uwec.edu/studentsenate/\)](http://www.uwec.edu/studentsenate/).

Student Health Service

University Centers

The University Centers (<http://www.uwec.edu/centers/>) comprises two buildings that are the center of campus life: The W. R. Davies Student Center and the Hilltop Center. University Centers programs and services operate within these facilities. The University Centers also manages the Zorn Arena and the Schofield Auditorium — multipurpose facilities that are heavily used by the university community for meetings, recreation, performances, dining, conferences, workshops and other curricular and co-curricular activities.

The University Centers develops and implements a variety of involvement and leadership experiences, volunteer opportunities, student employment and internships, diversity and cultural growth initiatives, and community outreach. These varying experiences help students to develop new skills, reflect on their personal identity and place in the world, and become engaged citizens. The University Centers builds and sustains partnerships with faculty/staff and community members, to ultimately enhance the quality of the experiences provided. The University Centers is funded by space, equipment and labor rentals (including those for meetings, programs, private weddings, camps, conferences and other special community events), student fees and commissions.

The University Centers provides services that are integral to campus life, including the undergraduate textbook rental program, the meal plan required for nearly all campus residents, printing services and the official university ID card. The unit is responsible for all non-academic reservations on campus and ticketing of campus events. The University Centers administers bookstore services, dining, catering and vending services campus-wide, manages all printing services and provides the central source of campus information through the Service Center.

W.R. Davies Student Center. The 177,000 sq. ft. W. R. Davies Student Center opened its doors in July 2012. This student center, like its predecessor, is named in memory of William R. Davies (1893–1959), the university's second president. Its design was inspired by nature surrounding the Eau Claire campus — the Chippewa River, the woods, the stone formations, and the Little Niagara Creek.

W. R. Davies Student Center occupies a site that was the historic meeting grounds of the Dakota and Ojibwe people, who made peace in the 1850s after a bitter war that spanned 150 years. The treaty line is thought to be at the mouth of the Little Niagara Creek on the Chippewa River. Names of meeting spaces in the original and the present Davies Center honor the Ojibwe and Dakota and other native people of Wisconsin, including the Ho-Chunk, Menominee and Potawatomi tribal members who used the Council Oak tree and its surroundings as a shelter and gathering place. Davies Center was planned as an expression of the role of the Council Oak, a beacon and symbol of community, gathering and a safe space for all. W.R. Davies Student Center is the center for social and cultural interaction on the lower campus. Offering a number of meeting and program spaces (<http://www.uwec.edu/centers/facilities/davies/map.htm>), dining facilities and service areas, W.R. Davies Center is the administrative core of the University Centers. It is also home to the Student Senate (<http://www.uwec.edu/StudentSenate/>), the primary vehicle for student involvement in university governance.

Hilltop Center. Spanning the road that connects the upper and lower campus, Hilltop Center was built in 1968 and is home to Riverview Café, the primary contract dining facility on campus. An extensive renovation of Hilltop Center in 2012 expanded the primary food service venue on campus. Riverview Café (<https://uwecdining.sodexomyway.com/dining-near-me/resident-dining/>) now comprises the entire second floor of the building, and up to 7,000 meals are served to students each day. The programs and services of University Recreation and Sport Facilities (<https://www.uwec.edu/recreation/>) are also based in Hilltop Center. Facilities include the Environmental Adventure Center (<http://www.uwec.edu/Recreation/eac/>) (EAC), a climbing wall, billiards and exercise studios.

Crest Wellness Center. Is home to Student Health Service, Crest Fitness Center, Housing and Residence Life offices, University Police and the Eagle's View Challenge Ropes Course. In 1999 a \$1.4 million upgrade remodeled the upper level of Crest Wellness Center for the fitness center, making it possible to relocate its weightlifting exercise equipment from the lower level. In 2013 the Eagles View Challenge Course was expanded offering both high and low rope challenges.

Veterans Services

The University is approved by the State Approval Agency for the education of veterans and veterans' dependents under both federal and state programs.

The Veteran Services Office (Schofield Hall, room 20) advises veterans and eligible dependents on available state and federal veterans educational

programs and assists them in applying for educational benefits. Veterans are also encouraged to use this office to seek assistance related to veterans' issues and as a referral resource.

Students requesting veterans benefits should meet with the staff of the Veteran Services Office to set up their benefits program(s). Students using veterans educational benefits are required to request certification of benefits after registering for classes each semester. Students also need to keep this office apprised on any changes in their enrollment status. For more information, visit the website (<https://www.uwec.edu/tuition-financial-aid/veteran-benefits/>).

In addition to Veteran's benefits services, students are encouraged to visit the Veteran's Center (<https://www.uwec.edu/veterans-center/>) which provides a space where all military connected students, faculty and staff can learn more about resources specifically for them, attend programs on veteran needs, participate in support groups and utilize the lounge area for studying, relaxing and meeting others on campus.
